Union Township:
- Fiscal Officer Ron Campbell

Washington Township:
- Trustee Dennis Cooper

Williamsburg Township:
- Trustee Guy Bainum
- Trustee Gary Jordan
- Trustee Charlie Maklem

And CCTA Secretary/Treasurer Shelby Baird

Clermont County Township Association Regular Meeting Minutes

Date: 09/17/2026

Mr. Freeman welcomed everyone to the meeting, apologizing for arriving a little late due to Batavia's homecoming parade. He informed the group that we have a little bit of business to deal with before we turn the floor over to Mr. Evans for his presentation.

Mr. Freeman thanked Mr. Evans, and the staff of the Engineer's office, for the wonderful dinner provided this evening.

Mr. Freeman turned to Shelby Baird for the Treasurer's & Secretary's reports.

Mr. Baird reminded the members that he'd emailed drafts of the April, May, and June 2026 meeting minutes for their review, asking if there were any omissions or corrections to them. Mr. Freeman restated the question to the membership calling for any corrections to the minutes. There being none, Mr. Freeman called for a motion to approve the minutes as presented. Mr. Peck moved to the accept the minutes of the April, May, and June 2026 minutes as presented, seconded by Dennis Cooper. Motion carried without opposition.

Mr. Freeman asked Mr. Baird if there was anything else. Mr. Baird answered that we have the topic of the website discussion on the agenda but raised that we may not have time this evening to discuss. Mr. Freeman asked if Mr. Baird could offer a brief overview.

Mr. Baird agreed and moved to the presentation screen show a brief run-through of the demo site. Mr. Freeman stated he'd seen some printouts that Mr. Baird had provided. Mr. Baird affirmed and reminded the group that if anyone hadn't gotten the handout that wanted it, it was by the sign-in sheet.

Mr. Baird pulled up the website, apologizing for it being mostly empty as that was going to be part of the demo, so it wasn't really prepared for a showing yet. He walked through the website, and features quickly, with some touches on the maps and meeting updates. He informed that special announcements, temporary pages, and events will be available through the site, and pointed out that the calendar will be subscription feed now and that the address for meetings will have a clickable link that works very well on a smartphone. He reviewed the other pages, pointing out that each township has its own link and that we need some updated logos from the member townships if the township wants them displayed here on the new CCTA website. He pointed out that going forward if the website is accepted that each officer will have a defined cctownship.org email address going forward.

Mr. Baird stated some details about the site's dynamic features to include the announcement banner for important announcements, and the temporary pages and special events, and that the site is defined in compliance with WCAG 2.1 AA, even though it's not clear whether it applies to the CCTA.

Mr. Freeman followed that mostly he wanted everyone to see it, and that the work was taking place behind the scenes. Mr. Baird reminded the group that the prototype site is live and available, and if anyone would like he can email them a link so they can try it out and send any feedback, or suggestions, of things need to be changed.

Mr. Freeman asked if anyone had any questions about the website work. There being none, Mr. Freeman asked Mr. Baird if there was anything else before we moved on to Mr. Evans presentation.

Mr. Baird stated that we still needed to review the Treasurer's report. He then proceeded to read out the treasurer's report to the membership, with an update on the continued membership dues receipts and that the dues had been paid in full to the Ohio Township Association. He then shared that he'd went ahead and renewed the GoDaddy Domain Privacy subscription that had been left off at the last renewal for a cost of $9.53 and that it carries through to the May 19, 2027, expiration.

Mr. Baird then shared details about the condolence flower arrangement purchase for Sheila Dufau at the August meeting. He shared that the purchase had to exceed the approved amount of $50.00, and that the overage to $70.00 had been approved by Mr. Freeman. Mr. Baird shared Ms. Dufau's thanks to the Association for the gesture. Mr. Baird then concluded the report's closing checkbook balance for the month at $2,888.96. Mr. Freeman called for a motion to accept the Treasurer's report as presented. Guy Bainum stated he would make that motion, seconded by Bob Hausermann. Motion carried without opposition.

Mr. Freeman asked Mr. Baird if he had anything else. He replied that was all he had.

Mr. Hausermann asked Mr. Freeman if there was any updated information about the venue location for a holiday dinner. Mr. Freeman replied that he expected to have more information by the October meeting, and that we were going to discuss it a little bit more after Mr. Evans concludes.

With that, Mr. Freeman turned the floor over to County Engineer Jeremy Evans.

Upon the conclusion of Mr. Evans presentation, Mr. Freeman resumed the CCTA regular meeting session.

Mr. Freeman note that Teresa Hinners was not present, and proceeded to discuss the legislative agenda. He pointed out that there are some additional bills that have come up of interest, both of which are dealing with datacenters and subsidies association with them. Those bills are in committee and with the legislature soon to enter lame-duck session so we'll monitor those for further activity.

One that he is worried about is a piece of legislation that is focused on our continuing levies, and it would require potentially that those continuing levies could have to go back on the ballot for reaffirmation.

Mr. Freeman asked County Commissioner Painter if he had anything he'd like to share. Mr. Painter shared that Judge Matthew Burn of the 12th Appellate court was commissioned as a Supreme Court Judge in the United States. He has received his commission and is only awaiting is to be credentialled by the President of the United States. He has subsequently resigned from the ballot which result in a note being in the ballot reminding voters that no votes for Judge Burn will be counted. So, the only way to put a 12th Appellate Judge back to bench will be by write-in. There are two write-in candidates, our very own Judge Haddad and Willow Kincannon from Butler county. So, he is asking members to remind their citizenry that the only way to get a vote case will be by writing that name in.

Mr. Freeman then raised the topic of the Christmas Party again, and specifically asking if members had any other suggestions/thoughts about another venue if we didn't only want to look at Campbell's Barn. Questions followed about availability, and timing. Dennis Cooper asked if we had any other options, and

Mr. Freeman responded that we're open to suggestions. Bob Hausermann reminded everyone about the Clermont County Fairgrounds and our experiences in the past, and that the Barn has been a little more predictable to deal with. The consensus followed along that the Barn sounded favorable, Mr. Freeman shared that he will go ahead and push forward with arrangements for Campbell's Barn and share more information at the October meeting.

Mr. Hausermann moved that we go forward with scheduling the Christmas Party at Cambell's Barn, seconded by Tom Peck. Motion carried without opposition.

Tom Peck shared that John McManus with Clermont County Soil & Water Conservation District has asked to speak at the November meeting. Mr. Freeman shared that we have been working to host the Economic Development roundtable at the November meeting, but if we can work that out we will certainly try.

Dennis Cooper asked for confirmation that we are meeting at the Sheriff's office next month, October. Mr. Freeman shared that he had received a call from Sheriff Stratton and he is excited to show the CCTA some new developments at the Sheriff's Department. So be sure to make it!

A member asked if Trick-or-Treat has been picked. Mr. Freeman shared that it had not been done, and Mr. Baird confirmed that we did not do it at the last meeting. Guy Bainum shared that Williamsburg Township has decided that they are moving their administrative offices to a different location, and that they will now be hosting all their meetings at the Fire Department.

Mr. Hausermann asked for confirmation that Halloween Trick-Or-Treat will be set for October 31st. Mr. Hausermann made the motion, seconded by Dennis Cooper. Without object, the motion caried.

Mr. Freeman asked if there was any other business for the evening. Mr. Baird asked for confirmation that everyone had signed the sign-in sheet. Mr. Freeman asked that anyone who hadn't signed in would please get with Shelby after the meeting.

Motion to adjourn by Ron Campbell, seconded by Dennis Cooper. Meeting adjourned.
