

Clermont County Township Association Meeting

Date: January 19, 2023

Host: Batavia Township

Meeting was called to order: Bob Hausermann called the meeting to order at 6:30 pm and thanked everyone for coming. He asked Guy Bainum to lead the pledge allegiance. Bob McGee led the opening prayer. Dinner was then served.

Opening remarks: After dinner, Mr. Hausermann introduced Dr. Brian Treon, Clermont County Coroner. Dr. Treon wanted to talk about how the death of an indigent person is handled by the County. Dr. Treon wanted everyone to know what happens if a person dies during the night in a nursing home and where the body would be taken. If the person is indigent, the body is taken to the Hamilton County Morgue until someone claims the body. He said that the morgue charges \$45.00 for the first day the body is there and \$25.00 for every day after until the body is claimed. If no one claims the body, then the burial is the responsibility of the township. Dr. Treon also passed out information about the Indigent Burial and Cremation Support Program from the State of Ohio to everyone.

Allen Freeman presented an alternative formula for distribution of Local Government Funds for 2024. A copy of the proposed formula is attached to the minutes. Dennis Cooper asked if Allen could have a final copy of the resolution ready for the February meeting.

Jennifer Haley spoke briefly about a survey for Broadband.

Bob Hausermann asked everyone about they would feel about having a banquet in May. After much discussion it was decided that there is too much going on in the townships to try to have a banquet this year.
