Opening remarks: At approximately 6:44 PM Mr. Hauserman resumed the meeting expressing the CCTA's thanks to Batavia Township for dinner and for hosting the meeting. Mr. Hausermann invited Mr. Shrive to take the floor for his presentation.

Guest Speaker: Brian Shrive, Julia Carney, and Amy Irwin of the Clermont County Prosecutor's office made a presentation introducing the new Matrix OMS system. Some Q&A discussion between CCTA members and Mr. Shrive followed, with the conclusion of his presentation at 7:02 PM.

CCTA Business: Mr. Hausermann asked Mr. Baird if there was any CCTA business that needed discussion and action.

Mr. Baird reviewed action items left over from the Nov, 24 CCTA meeting. The letter to Senator Johnson needed to be signed again by Mr. Hausermann and will be sent on the 17th. Mr. Baird then asked if there had been any further information regarding the OPWC District 10 nomination forms, and if anyone knew if the deadline had passed or been extended. Mr. Hausermann responded that Mr. Freeman had a personal engagement so was not able to attend this meeting, and then called upon Mr. Peck to see if he had any more information as he was also part of that conversation.

Mr. Peck recapped that at the Nov, 24 CCTA meeting he and Mr. Freeman had been nominated and the CCTA voted to approve their nominations, but that District 10 has yet to send any letters out to the Boards of Trustees. Mr. Cooper affirmed the same. Mr. Baird asked if there was someone at District 10 that could be contacted to ask about the nomination letters. Mr. Peck said he would reach out to Kennedy the next day to discuss with her. Mr. Cooper then stated to Mr. Hausermann that in the past the letters had been sent out by someone at Miami University, and that we haven't received anything yet this year. Another member then asked for a refresh on what District 10 is. Mr. Hausermann asked Mr. Peck to follow up on this and send any info to Mr. Baird if he can.

Mr. Baird then asked Mr. Cooper if he could forward the email he had received about HB 296. Mr. Cooper stated that the bill had already been voted on, and he and Mr. Hausermann then recapped that the bill was to increase the contribution that townships were making to the Police retirement fund from 19% to 23%.

Mr. Baird then reviewed the correspondences received from the Miami Township Police Association and the Pierce Township Police Department thanking the CCTA for our contributions to their 2024 Shop with a Cop programs, and the holiday card received from the Ohio Townships Association.

Mr. Baird asked if there were any other items that needed to be discussed or added for follow up. Mr. Hausermann asked for the review of the fiscal reports. Mr. Baird reviewed the Treasurer's reports for Dec 1, 2024 and Jan 1, 2025 – reviewing the check payment activities and items outstanding. Mr. Hausermann called for motion to approve the reviewed financial reports. Motion by Ms. Hinnners, seconded by Mr. Cooper, motioned carried without opposition.

Mr. Baird then reminded that minutes for 9/19/24, 10/17/24, and 11/21/24 minutes had been sent to active members, and apologized for the short timeframe ahead of tonight's meeting. Mr. Hausermann called for a motion to approve the reviewed meeting minutes. Motion by Mr. Peck, seconded by Mr. Sauls. Motion carried without opposition.

Mr. Baird announced that concludes the Secretary/Treasurer business.

Mr. Hausermann then opened the floor to members present to discuss any news from their townships they would like to share with the CCTA. Each member then gave a short summary of noteworthy activities within their respective townships.

Mr. Hausermann then asked Commissioner Painter for any updates from Clermont County that he would like to share. Mr. Painter recapped some of the great new additions recently for the county.

Mr. Hausermann then introduced Gregg Gentile, Clermont County Deputy Auditor. Mr. Gentile gave a brief overview of some of the data analysis information they can provide to townships for evaluating properties and parcels from the Auditor's Open Data site.

Mr. Hausermann extended congratulations to Commissioner Painter on his new appointment as the President of the County Commissioner's Association of Ohio.

Mr. Hausermann then reminded the CCTA to bring forth some ideas for fundraiser ideas, reminding that we need to get some small fundraisers so that we can continue our donation efforts.

Mr. Cooper brought forth a reminder about the OTA magazine and about another push to increase the local government monies from the state, and that he thinks we need to get a letter to the OTA expressing our support for their efforts.

Mr. Shrive reminded the group about the upcoming changes resulting from the passage of HB 315. Some changes about publishing notices, and things like that. Mr. Cooper stated that there are 18 bullet points in that bill that affect townships. Another member asked if anyone has seen a solid summary of the changes. Mr. Shrive said they haven't yet sent one out but noted that one of the major changes is that zoning offenses will now be civil rather than criminal which he hopes will make those cases somewhat easier to get through. He noted that he and Julia Carney have been working to ramp up their preparedness for those changes. Some other features of the bill were highlighted – changes about township hall funding, and the indigent burial funds.

Mr. Shrive also reminded everyone to make sure to reach out to Congressman Taylor's office for any letters of support or other assistance applying for federal grants. Commissioner Painter also reminded everyone that Senator Moreno has an office in Cincinnati at the Federal Building.

Mr. Hausermann announced that not hearing any other business before the Association, our next meeting will be February 20th at Pierce Township.

Mr. Cooper moved to adjourn, seconded by Mr. Peck. Meeting adjourned at 7:30 PM.
