A prayer was offered by Guy Bainum and following the prayer members recited the Pledge of Allegiance. A thank you was offered by Bob Hausermann to the Clermont County Board of Health and the Clermont County Engineer for providing dinner and providing the meeting room. Mr. Hausermann announced to members that tonight's meeting would be very short due the Board of Health's District Advisory Council meeting starting at 7:15 PM and invited attendees to proceed to dinner at 6:35 PM.

Opening remarks: At approximately 6:57 PM Mr. Hauserman resumed the meeting by calling for everyone's attention.

CCTA Business: Mr. Hausermann reminded members of the 911 agreement with the county and the need for the township boards of trustees to pass the resolution to accept the contract and return to

Jessica as soon as possible. Mr. Hausermann then provided a brief recap of the last meeting and the need for a special meeting as suggested by Mr. Freeman.

Mr. Freeman then went into some light detail about the special meeting. The CCTA will meet on April 7, 2025 at 6:30 PM at Goshen Township to host State Representatives Jean Schmidt and Adam Bird, as well as a representative from the Ohio Township Association to have a Q&A discussion. Key topics will be topics will be focused on pending and developing legislation such as the state budget, property tax rollbacks/reforms and other significant impacts such as the pending legislation on the community host fee included as part of the recreational marijuana legalization and the plans to eliminate the host fee, including sunset provisions for those townships already having approved dispensaries. This is a critical meeting and the topics of discussion will have a significant impact on all of us. Other potential talking points we hope to get further clarified are state level discussions around removing zoning authority from townships and redirecting to the state.

Mr. Sauls asked a question about if any changes are being discussed with annexations. Mr. Freeman replied that he hadn't heard anything "yet."

Mr. Hausermann stressed again the importance that everyone make a strong effort to be there, and invited members to bring representatives from their local municipalities as well as these topics will affect them as well.

Mr. Baird quickly reviewed the Treasurer's Report for Mar 1, 2025, covering the statement period of Feb 1 to Feb 28, 2025. The balance remains at \$3521.55. Mr. Hausermann called for a motion to approve the reviewed Treasurer's Report. Motion by Mr. Sauls, seconded by Mr. Bainum, motion carried without opposition.

Mr. Hausermann again announced that both the Special Meeting on April 7, 2025 6:30 PM and the May 15th CCTA regular meeting will be held in Goshen Township. Mr. Hausermann moved to adjourn, and was seconded.

Meeting adjourned at 7:07 PM.
