Jordan moved to approve the treasurer's report, seconded by Bob Hausermann. Motion carried without opposition.

Mr. Freeman next asked if those present had a chance to review the minutes of the 11/20/2025 meeting and called for any corrections. There being none offered, Mr. Freeman called for a motion to approve the minutes. Tom Peck moved to approve the minutes of the 11/20/2025 meeting, seconded by Keith Vogelsang. Motion carried without opposition.

Sub-Committee Activity:

Mr. Freeman then opened the discussion on the sub-committee activities. He reviewed the two existing sub-committees that were initiated last year, the Economic Development & Governmental Affairs Sub-Committee and the Zoning Sub-Committee. He brought attention to the need for a third sub-committee focused on Finances with the purpose of coordinating fundraising efforts, for example revitalizing the annual CCTA banquet either in the spring or summer. He offered a few insights into legislation currently working through the Ohio General Assembly, and the property tax issues, before introduction tonight's guest who joined the meeting virtually.

General Discussion:

At approximately 7:05 PM, Mr. Freeman turned to the floor over to tonight's guest Kyle Brooks, Director of Governmental Affairs with the Ohio Township Association. Mr. Brooks presented overview of key legislation and issues related to property tax and local government funding. During a brief interruption of Mr. Brooks' discussion, due to technical issues, Mr. Freeman laid out some topics that he feels the CCTA should focus on from the perspective of a legislative agenda. Mr. Freeman is going to capture those topics into a list that he will share with the CCTA as we move toward the next meeting in February.

Upon conclusion of the topics discussed by Mr. Brooks, and the follow-up Q&A between Mr. Brooks and CCTA members, Mr. Freeman moved on to further discussion about the CCTA's issues that should be compiled in preparation for discussion with our state representatives. He shared that he is going to coordinate with Reps. Schmidt and Bird to invite them to an upcoming meeting, hopefully on our regular schedule but we may need to call a special meeting to work around their schedules.

Mr. Freeman also revisited the sub-committee topics, sharing that the CCTA should put some thought into planning some more activity through the sub-committees with perhaps one activity being the hosting of some workshops on those focus areas. The goal being to get information out to member townships to aid their planning and preparation for forthcoming issues.

Conclusion:

At the conclusion of the discussion on the sub-committee activity planning, Mr. Freeman called for a motion to adjourn. Mr. Baird reminded the members that the next meeting is scheduled for February 19th, 2026, hosted by Pierce Township but that it is potentially subject to change. Mr. Hausermann moved to adjourn. Mr. Baird also reminded members present to reach out to him if they have not been receiving email communications so he can resolve those issues, as necessary. Mr. Freeman stated that
