Date: 03/19/2026

Mr. Baird read the Treasurer's report for February, 2026. The reconciled checkbook balance remains at \$3,068.49 with no deposits or withdrawals through February 28, 2026. Mr. Freeman called for a motion to approve the Treasurer's report. Ms. Hinnners moved to approve the report, seconded by Mr. Peck. Motion carried without opposition.

Mr. Freeman announced that the minutes of the February 19th meeting were not yet prepared for review and approval. Mr. Baird informed the group about the donation request received from the Clermont County Junior Fair Board that had been forwarded to him by Batavia Township Fiscal Officer Jennifer Haley. Discussion followed among the members present about whether the CCTA would like to donate/sponsor, and if so in what amount. Ms. Hinnners was in favor of donating. Mr. Cooper asked how and if this has been done in the past. There was some discussion about past sponsorships, but at present the CCTA doesn't have the funds to put forth anything larger. Discussion on donating continued with suggestions of \$100 and \$200 being made by members. Mr. Bainum asked if perhaps the group may want to wait until the next meeting to decide, and Mr. Freeman agreed that it's probably good to wait and see if we have any revenues received by then. Mr. Freeman commented that we needed some further discussion about how and at what level the CCTA may want to become more involved in the Clermont County Fair at a higher level than just this one donation, but that further plans for fundraising would need to be developed. Mr. Freeman tabled the question until later, and asked Mr. Baird to make sure the question was on the agenda for the May meeting.

Mr. Freeman then asked if the group wanted to have an additional meeting in April. He recapped that traditionally the CCTA has not had a meeting in April as it's usually been left open for fundraising. He asked the group if we should go ahead and have a meeting in April. Ms. Hinnners said yes. Another member asked where it would be hosted. Mr. Freeman suggested Wayne township, and to have it on the traditional 3rd Thursday of the month. Mr. Baird interjected that an April meeting might work out well as Bill DeHaas from Clermont Senior Services has asked to make a presentation on the upcoming levy on the May ballot. Mr. Freeman said that would be a great idea. Mr. Baird also suggested Mr. McClintick, as he has been asking to present for some time. Mr. Freeman reminded everyone that Kris McClintick is the Director of Community & Economic Development for the county, and that he's been postponed several times due to other CCTA priorities. Mr. Freeman stated that if there were no objections to any of the guests discussed we would move forward with coordinating those guests.

Mr. Baird asked if a motion was needed to settle the question of the April meeting since the CCTA doesn't have a regularly scheduled meeting, which would make it a special meeting. Mr. Freeman called for a motion to schedule a special meeting in April. Mr. Cooper moved to hold an April meeting in Wayne Township with the same criteria as other regular meetings, seconded by Mr. Peck. Mr. Cooper asked for confirmation that we do not meet in June or July. Mr. Peck brought up that we used to have a meeting in June in Ohio Township in conjunction with a picnic. Mr. Freeman asked if Ohio Township wanted to revive the picnic. Mr. Vogelsang stated he'd take the question back to the Trustees, and asked whether it had usually been in June or July. Mr. Freeman stated it was historically held in June. Mr. Freeman asked Mr. Baird to put that on the April agenda as well.

Mr. Freeman asked Mr. Baird if there was anything else. Mr. Baird said no but reminded Mr. Freeman that there was a motion on the floor about the April meeting. Mr. Peck seconded Mr. Cooper's motion to hold the meeting in April in Wayne Township. Mr. Freeman called for a voice vote on the motion. The motion carried without opposition.

Mr. Freeman confirmed with Mr. Baird that there were no other open items needing attention this evening. Mr. Baird affirmed. Mr. Freeman asked if there was nothing else to be discussed he would take a motion to adjourn.

Mr. Cooper called for attention for a question. He asked what, if anything, anyone has heard regarding the circulating petition to eliminate property taxes, and if they have enough signatures to get on the ballot. Mr. Freeman stated that the group behind the petition has been very quiet about their progress, but what he has heard is that they do not have enough signatures.

Adjournment:

Mr. Freeman asked if any other townships had anything they'd like to share or discuss. There being none, Mr. Freeman called for a motion to adjourn. Mr. Becker moved to adjourn, seconded by Mr. Hausermann. Mr. Freeman called for a voice vote. Motion carried without opposition. Meeting adjourned.
